Andaman & Nicobar Command To Host Milan 2018

The second week of March will witness Andaman & Nicobar Command hosting a multinational mega event MILAN 2018. MILAN is a congregation of littoral navies conducted biennially by Indian Navy at the Andaman and Nicobar Islands. The theme of this year's MILAN International Maritime Seminar is 'In Pursuit of Maritime Good Order – Need for Comprehensive Information Sharing Apparatus'. With the underlying theme of 'Friendship Across the Seas', MILAN 2018 will witness a diverse mix of professional exercises and seminars, social events and sporting fixtures.

PM Modi Flags Off 'Run For New India' Marathon In Surat

Prime Minister Narendra Modi flagged off the 'Run for New India' marathon in Surat, Gujarat. The Marathon is aimed at creating awareness about social causes and call upon all to resolve to build a New India. The Marathon is divided into 4 categories. Around 1.50 lakh runners participated in the 'Run for New India' marathon which was organized by the Surat Nagrik Samiti.

CBI arrests Rotomac Pens' owner Vikram Kothari

The CBI arrested Rotomac Pens' owner Vikram Kothari and his son Rahul for allegedly defrauding banks of Rs3,700 crore. Kothari's company had submitted forged documents to get loans and created shell firms to carry out illegal activities. Earlier, authorities had notified all land, sea, and air ports to prevent Kothari and his family members from leaving India.

Union Government Clears Private Commercial Mining In Coal

In a major reform in the coal sector since its nationalization in 1973, the government allowed private companies to mine the fossil fuel for commercial use. This move ended the monopoly of state-owned Coal India Ltd. The decision was taken by the Cabinet Committee on Economic Affairs (CCEA) under the Chairmanship of PM Narendra Modi. Currently, the private sector is allowed coal mining for captive use only. The reform will bring efficiency into the coal sector by moving away from the era of monopoly to competition and lower power tariffs.

India Successfully Test-Fires Agni-II Missile

India successfully test-fired Agni II medium-range nuclear-capable missile from APJ Abdul Kalam island off the Odisha coast. The Strategic Forces Command (SFC) fired Agni-II from a mobile launcher at launch complex 4 of the Integrated Test Range. Agni-II, which has a length of 20 meters, weighs 17 tonnes and can carry a payload of 1000 kgs over a distance of 2000 km. It is a part of the Agni series of missiles developed by the DRDO.

UN names India as Global Host for the World Environment Day 2018

Union Environment Minister Harsh Vardhan announced that India will host the World Environment Day 2018. The theme for the World Environment Day-2018, held every year on June 5, is "Beat Plastic Pollution". Harsh Vardhan also launched the first electric charging facility at the Lodhi Road UN office – the first ever in a UN office in India.

42 Indian languages heading towards extinction

42 languages or dialects in India are considered to be endangered and are believed to be heading towards extinction as only few thousand people speak them. According to report of Census Directorate, there are 22 scheduled languages and 100 non-scheduled languages in country, which are spoken by large number of people – one lakh or more. There 42 languages are spoken by fewer than 10,000 people. A list prepared by UNESCO also has mentioned them as critically endangered languages. The Central Institute of Indian Languages (CIIL), Mysore is working for protection and preservation of these languages under central scheme Protection and Preservation of Endangered Languages of India.

Vice President inaugurates 8th International Theatre Olympics

The Vice President of India M. Venkaiah Naidu inaugurated the 8th International Theatre Olympics 2018 at the Red Fort in New Delhi. He also released the festival logo. The 51-day-long theatrical extravaganza is being hosted in India by the National School of Drama under the aegis of Ministry of Culture. The theme is “Flag of Friendship” that aims to bridge borders and bring people of different cultures, beliefs and ideologies together through the medium of theatrical art. The festival will conclude on April 8, 2018 with a grand ceremony at the iconic Gateway of India in Mumbai.

India’s first radio festival being held in New Delhi

India’s first radio festival is being held in New Delhi to mark World Radio Day. The festival is being organized by International Association of Women in Radio and Television, in collaboration with UNESCO. The festival includes live performances, an exhibition, and slotted panel discussions. Apart from touching on the theme for World Radio Day 2018 – radio and sports – the festival is also examining the potential of the medium as a platform for social change, ways to make it more creative and will trace the journey of music on the radio.

Paschim Lehar: Tri-service maritime exercise held off western coast

Tri-service maritime exercise ‘Paschim Lehar’ was held off India’s western coast with an aim to build interoperability between Indian Navy, Indian Army, Indian Air Force and Coast Guard. This exercise includes participation of large number of ships, submarines and aircraft from Western Naval Command of Indian Navy and units from Eastern Naval Command, Indian Army, Air Force and Coast Guard.

India’s first online radio station ‘Radio Umang’ launched

Radio Umang, India’s first online radio station that allows the listener to just download and tune in, has been launched. Listeners can tune in to this online radio station through web streaming or download the app. With 24 hours programming, it has found listeners in Hindi speaking regions of India and in over 60 countries worldwide.

India State of Forest Report (ISFR) 2017 released by MoEFCC

The Ministry of Environment, Forest and Climate Change (MoEFCC) has released India State of Forest Report (ISFR) 2017. It has revealed that total forest and tree cover in India has

increased of over 8,021 sq km (about 80.20 million hectare) which is one percent increase from 2015. 15 states/UTs have above 33% of geographical area under forest cover. About 40% of country's forest cover is present in 9 large contiguous patches of the size of 10, 000 sq.km, or more.

NITI Aayog unveils Health Index for states

NITI Aayog on 9 February, 2019 released a comprehensive 'Healthy States, Progressive India' report in New Delhi. The health index ranks the states on the basis of their performance on measurable indicators such as infant mortality rate, sex ratio at birth and functional 24x7 public health centres. The healthy state progressive report ranked Kerala, Punjab and Tamil Nadu at the top among the larger states in terms of overall performance. The report was released by NITI Aayog CEO Amitabh Kant in New Delhi. The index has been evolved through comprehensive study and inputs from World Bank India and Ministry of Health.

India's 1st defence industrial corridor

The first of the two defense industrial production corridors, as announced in the Union Budget, will link Chennai & Bengaluru and will pass through Coimbatore and several other industrial clusters. The corridor shall provide impetus to the defence production industry in the country and in the region. The announcement on the second corridor would be made soon.

STATES

Parivartan Scheme launched in Haryana

The Haryana government launched Parivartan, a scheme designed to address 10 issues, including cleanliness and pollution, in 46 developmental blocks of the state. The scheme was launched by Chief Minister Manohar Lal Khattar. The 10 issues include facilitation of financing, making agriculture profitable and sustainable, improving health services, implementing Swachh Bharat, decongesting market areas, engaging the youth, checking air pollution, ensuring availability of identity-related services, effective policing, and ensuring road order and conduct.

44th Khajuraho dance festival held in Madhya Pradesh

The 44th edition of Khajuraho Dance Festival 2018 was held at Khajuraho temple, a UNESCO world heritage site in Chhatarpur district, Madhya Pradesh. It was inaugurated by Madhya Pradesh Governor Anandiben Patel and was organised by culture department of state government. Khajuraho Dance Festival is annual cultural festival that highlights richness of various Indian classical dance styles. The 6-day festival showcased classical dances including Kathak, Odissi, Bharatanatyam, Kuchipudi, Kathakali and Mohiniattam.

Kamal Hassan launches new political party "Makkal Needhi Maiam"

Actor Kamal Haasan launched his political party Makkal Needhi Maiam (people justice centre) in Madurai, Tamil Nadu. He also unfurled his party's flag, which has six hands – three in red and three in white – joined together around a star on a white background.

Kerala makes vaccination compulsory for school admissions

Kerala government made vaccination compulsory for school admissions from next academic year onwards. Parents will have to show details of shots given to children at the time of enrolment in schools. The health minister of Kerala KK Shailaja has released the new health policy draft. The move comes in the wake of stiff opposition from certain communities against the vaccination drive.

Jaipur's Gandhinagar Railway Station becomes fully women operated station

The Gandhi Nagar railway station in Jaipur, Rajasthan became railway station to be fully-managed by women. Gandhi Nagar is important railway station in Jaipur situated on the Jaipur-Delhi rail route. The station has footfall of more than 7,000 passengers every day. There are 40 women staff at the station besides women personnel of the railway protection force have been deployed at the station.

PM Flags Off Palace Queen Hamsafar Express In Karnataka

Prime Minister Narendra Modi flagged off the Palace Queen Humsafar Express between Mysuru and Udaipur in Mysuru Railway Station. Both the Mysuru Palace and Udaipur palace are iconic tourist attractions and this special train will create a new tourist circuit connecting North India and the South. The train between Mysuru and Udaipur will act as a backbone of tourism, an employment generating industry. He also dedicated to the nation,

the electrified Mysuru-Bengaluru Railway Line and announced two more infrastructure projects for the region.

West Bengal becomes first state to opt out of ‘Modicare’

Claiming that the Bengal government had already enrolled 50 lakh people under its own Swasthya Sathi programme, Chief Minister Mamata Banerjee has announced the decision to opt out of Centre’s ‘Modicare’ scheme. This makes West Bengal the first state to withdraw from the ambitious programme. Union Finance Minister Arun Jaitley had announced the NHPS on February 1, making it the biggest global plan to provide quality health cover to a population larger than the combined citizenry of the US, UK, Germany and France.

Bihar Government bans sale of loose cigarettes

Bihar Government has banned sale of loose cigarettes in the state. This decision aims to be deterrent to kids and youngsters who start smoking by buying loose cigarettes. In this regard, state health department has issued notification under Section 20 of Cigarettes and Other Tobacco Products Act (COTPA), 2003. Bihar is the 12th state in the country to bring such a ban into effect after Uttarakhand, Himachal Pradesh, Rajasthan, Punjab, Delhi and others.

MP govt launches app to spread awareness against pollution

The Madhya Pradesh government launched a mobile application “pollution metre” to spread awareness against pollution in the western part of the state. It has been developed with the help of a private firm and the Madhya Pradesh Pollution Control Board. With the help of the app, anybody can check the status of air, water and noise pollution in their respective areas.

North Korea is ranked the lowest at 167th, while Syria is a notch better at 166th place.

The top 5 Countries in the list are–

Norway,

Iceland,

Sweden,
New Zealand and Denmark.

INTERNATIONAL

US to overtake Russia as top oil producer

According to International Energy Agency, U.S. will overtake Russia as the world's biggest oil producer by 2019 at the latest. U.S. crude oil output rose above 10 million barrels per day late last year for the first time since 1970s, overtaking top oil exporter Saudi Arabia. US oil is also increasingly being exported, including to the world's biggest and fastest growing markets in Asia.

Saudi Arabia allows women to enlist in Military

The Kingdom of Saudi Arabia has for the first-ever time opened applications for women to enlist in the military. Women have been given time till March 1, 2018 to apply for positions with the rank of soldier in the provinces of Riyadh, Mecca, al-Qassim and Medina. The move is a continuation of the Kingdom's effort to enact reforms that grant females more access to a wide range of previously forbidden careers.

Russia vetoes UN draft resolution pressuring Iran over Yemen

Two resolutions were presented in the UNSC over the issue of Yemen. First resolution was presented by the UK and the other one by Russia. However, UK and the USA backed resolution was vetoed by Russia. Russia has vetoed a UN Security Council resolution that would have put pressure on Iran for failing to prevent its missiles from being used in the Yemeni conflict. The Security Council subsequently voted unanimously in favor of a resolution drafted by Russia, which omitted Iran and the findings of UN report that said Iranian made missiles had been found in Yemen.

Michael McCormack named Australia's new Deputy Prime Minister

Michael McCormack has been elected new Deputy Prime Minister of Australia. He has replaced former Deputy Prime Minister Barnaby Joyce. The leader of the National Party automatically becomes deputy prime minister under the terms of the coalition agreement with Prime Minister Malcolm Turnbull's Liberal party.

China elected as Vice President of Financial Action Task Force

China was elected as the Vice President of Financial Action Task Force (FATF), a global body mandated to combat terror financing and money laundering. China's election came after the FATF plenary meeting in Paris. China's election to the FATF assumes significance as Pakistan is set to be put in the FATF 'grey list' in June 2018. The grey lists puts countries under the scanner for not implementing the objectives of the task force. FATF was created in 1997 during G7 summit to counter the increasing problem of money laundering.

Maldives announces Presidential elections in September this year

Despite facing these worse situations, Maldives started doing preparations for the upcoming Presidential elections to be held this year. The first round of the elections is to be held in early September. It is mentioned that the authorities welcome the election body to start the preparations for the elections. The Government took note of its announcement to hold the first round of Presidential elections during early September and encouraged all relevant stakeholders to offer the Commission their full, unreserved support for the conduct of their work.

Trump pushes for ban on gun 'bump stocks'

US President Trump has signed an order to ban bump-stock devices, which were used by a gunman who killed 58 Las Vegas concert-goers last year. Such devices enable a rifle to shoot hundreds of rounds a minute. The gun control debate took on a new urgency after 17 people were killed at a school in Florida last week. He also said arming teachers could 'solve the problem' of school shootings.

Cobra Gold Military Exercise held in Thailand

US Marines in Thailand for the Cobra Gold training exercise took part in one of the wildest parts of the drills – drinking cobra blood. This was the 37th edition of the exercise. Cobra Gold is an annual military exercise for Marines and one of the largest in the Indo-Pacific region. This year, seven countries are participating in Cobra Gold – the US, Thailand, Indonesia, Japan, Malaysia, South Korea, and Singapore. Part of the drill involves jungle survival. Marines learn which plants and animals are safe to eat if they're ever stranded.

Singapore to Impose Carbon Tax From 2019

Singapore will impose a 'carbon tax' from 2019 to cut its greenhouse gas emissions and make companies more competitive as global agreements on climate change take effect. Finance minister Heng Swee Keat stated that the tax would be levied on all facilities producing 25,000 tonnes or more of greenhouse gas emissions a year. The tax, to be applied to all sectors, will be Sg\$5.0 (\$3.8) per tonne of greenhouse gas emissions from 2019 to 2023.

Saudi Arabia allows women to open business without male consent

The Kingdom of Saudi Arabia announced a major policy change by allowing women to open their own business without the need of showing consent from a husband or male relative. The announcement was made by the country's Ministry of Commerce and investment, which stated on its website that women can now launch their own business and benefit from governmental e-services without having to prove consent from a guardian.

Ethiopia declares national state of emergency

A state of emergency has been declared in Ethiopia after the resignation of Prime Minister Desalegn. Emergency has been declared as protests have caused massive displacement of citizens, destruction of properties & threats against constitutional order of the country. In August 2017, Ethiopia lifted a 10-month state of emergency imposed after hundreds of people were killed in anti-govt protests.

Pakistan to deploy troops in Saudi Arabia

Pakistan Army has announced to deploy troops in its close ally Saudi Arabia under existing bilateral security cooperation agreement. The decision comes after meeting between Pakistan Army Chief General Qamar Javed Bajwa and Saudi ambassador to Pakistan Nawaf. Saeed Al-Maliki at the army headquarters in Rawalpindi.

WADA suspends Romanian laboratory

The World Anti-Doping Agency (WADA) has suspended Romania's drug-testing laboratory for six months. WADA has imposed the sanction on the lab in Bucharest due to a number of non-conformities with regulations. The lab is now forbidden from testing any samples and must transfer any in its possession to another laboratory.

Brazil to declare ‘social emergency’ on Venezuela border

The objective is to tackle the influx of people fleeing the crisis hit country Venezuela. The declaration will free the authorities to allocate infrastructure funds and other humanitarian measures on the Venezuela border. Besides, the number of soldiers will be raised to 200 on the border. Due economic crisis in Venezuela, some 40,000 people have fled to Boa Vista, the capital of Brazil’s border state of Roraima.

Cyril Ramaphosa sworn in as New President of South Africa

Cyril Ramaphosa, head of the ruling African National Congress (ANC) has been sworn in as South Africa’s new President. He was elected as the new president of South Africa by the ruling party politicians after the resignation of Jacob Zuma. The country’s 400-member parliament, dominated by the ruling African National Congress Party (ANC), elected Ramaphosa to finish his predecessor’s term, which ends with elections in 2019. The ANC has finished first in every national vote since the end of white-minority rule in 1994.

Venezuela, Libya lose UNGA Vote for third time in 3 Years

Venezuela and Libya were suspended from voting in United Nations General Assembly (UNGA) in 2018-19 session for not paying dues to 193-member world body. It was for third time in three years these countries have been suspended from voting for unpaid dues. Overall, 14 countries including Venezuela and Libya were in arrears for paying to global organization. Venezuela was suspended for not paying minimum of \$25,200,296 and Libya must pay at least \$6,594,842 to restore its voting rights. Venezuela is engulfed in economic and political crisis and Libya has two rival governments, each backed by an array of militias.

KP Sharma Oli becomes Nepal’s new prime minister

After Nepal’s Prime Minister Sher Bahadur Deuba resigned from his post, Communist Party of Nepal (UML) Chairman KP Sharma Oli has become new Prime Minister of Nepal for the second time.

South Africa declares drought a ‘national disaster’

South Africa, declared a “national disaster” over a drought that has ravaged parts of the country and threatened to leave the city of Cape Town without domestic tap water. The department of cooperative governance said it had elevated the drought to a “national

disaster” after reassessing its “magnitude and severity”. Cape Town is in the grip of a catastrophic three-year-long drought as sparse winter rains have failed to bring relief, and dam levels have dropped to dangerously low levels. South Africa’s second city is now facing the prospect of having to turn its taps off under a so-called “Day Zero” scenario to conserve the city’s remaining water supplies.

Pakistan to get first woman Hindu MP

The Pakistan Peoples Party’s Krishna Kumari is poised to become the country’s first woman Hindu lawmaker next month, after the party nominated her for the upcoming Senate elections. Ms. Kumari said she faced a “slave-like situation” during her childhood in the remote village of Nagarparkar in Sindh Province. She worked on the farm of a feudal landlord who was abusive to his workers.

Tanzania withdraws from UN refugee programme

Tanzania has announced its withdrawal of United Nation’s “Comprehensive Refugee Response Framework” citing security reasons and lack of funds. Tanzania has long been considered as safe haven for refugees, particularly from conflict hit Democratic Republic of Congo (DRC) and Burundi.

Abdul Hamid re-elected as president of Bangladesh

Bangladesh President Abdul Hamid has been re-elected for a second term. Earlier, the ruling Awami League (AL) nominated Abdul Hamid for his re-election as the country’s president.

Former Bangladesh PM sentenced for 5 years

Bangladesh Nationalist Party leader and former Prime Minister Khaleda Zia was jailed for five years. She was found guilty in a corruption case by a Special Judge’s Court in Dhaka. She was charged with misappropriating Tk 21 million in foreign donations received by the ‘Zia Orphanage Trust’.

US lists three militants as global terrorists

The US Department of Treasury has designated three individuals allegedly linked to Pakistan-based terror networks including Lashkar-e-Taiba (LeT) and Taliban as Specially Designated Global Terrorists. The move is intended to disrupt the South Asian terrorist

support networks. The three include Rahman Zeb Faqir Muhammad, Hizb Ullah Astam Khan and Dilawar Khan Nadir Khan.

Bermuda becomes first country in world to abolish same-sex marriage

Bermuda becomes the first country to legalize and then repeal same-sex marriage. Bermuda's governor John Rankin approved a bill reversing the right of gay couples to marry, despite a supreme court ruling last year authorizing same-sex marriage.

Maldives Crisis- Government declares state of emergency

The Maldives president, Abdulla Yameen, has declared a state of emergency in the country as heavily armed troops stormed the country's top court and a former president Chief Justice Abdulla Saeed was arrested in a deepening political crisis. Exiled former Maldivian president Mohamed Nasheed urged India to "act swiftly" to help in resolving the ongoing political crisis in the island nation.

Cyprus President Nicos Anastasiades wins re-election for second term

Cyprus President Nicos Anastasiades has won re-election for a second term. The official final result after a second round run-off put the conservative incumbent on 55.99 per cent of the vote, ahead of Communist-backed Stavros Malas on 44 per cent. Anastasiades has taken credit for steering the economy of Cyprus to recovery after it was plunged into crisis in 2013 by its exposure to debt-wracked Greece and fiscal slippage under a former left-wing administration.

Sri Lanka celebrates Independence Day

Sri Lanka on 4 February celebrated the 70th Independence Day in a grand ceremony at the Galle Face Green in Colombo. It was on this day in 1948 that country achieved freedom from British rule. Representing Britain's Queen, Prince Edward, Earl of Wessex, and the Countess of Wessex participated in the celebrations as Chief Guests. The theme of this year's ceremony was "One Nation".

Rwanda becomes 1st poor country to provide Eye Care for all

Rwanda has become the first low-income country to provide universal eye care for its 12 million population. The government has partnered with the organisation Vision for a Nation (VFAN) to train more than 3,000 eye care nurses based in 502 local health centres, prescribing glasses and referring those with serious eye problems to national clinics.

CONFERENCES**National Conference On E-Governance In Hyderabad**

The 21st national conference on e-Governance will be held in Hyderabad. The government of India and Telangana Administrative Reforms department are jointly organizing the conference with the main theme around- technology for accelerating development. The two-day conference will deliberate on several aspects of the e-governance including its universalization and replication, governing e-governance, best practices, emerging technologies and synergizing role of national and state government.
